**The Iowa Business College, The Iowa School of Shorthand
The Iowa School of Penmanship**

The work done in any of these schools is of the highest grade, each being under the supervision of a trained expert, not only as a teacher, but in practical business experience as well.

The Course of Study for the Commercial Department has been revised, and broadened, by introducing a complete system of business training, the use of which has proved a large success. Our system not only develops the "how," but the "why" as well.

New classes organized each week.

Honest Mining and Honest Banking are equally Legitimate and Honorable. Dishonesty in either Business is Disastrous.

Legitimate Mining is commanding attention and money as never before.

Its profits are enormous.

No other business offers such opportunities. Actual profits on investments often reach from 100 % to 3,000 % in less than one year.

WM. B. HARRISON, THE BROKER,

makes a specialty of reliable mining investments. In November 1905, he recommended a stock at 18c which sold in November, 1906, at \$15.00. Another rose from 70c to \$7.75 and another from 40c to \$10.00 in less than one year. Many similar records have been made in the last year.

Right Now there are many chances to buy good stocks which have every prospect of an enormous increase in value. Let Harrison help you select them. He is in daily communication with best markets. Whether you want to buy or sell, see or write him at

The Reed School FOR NERVOUS AND BACKWARD CHILDREN

AND FOR THE CORRECTION OF DEFECTIVE SPEECH.

The School makes a favorable impression on both Physician and Parent,

Because:—

The "family physician" notes the skillful, careful use of the latest means of bringing about the greatest possible mental and physical development of children who require far more individual care and discriminating guidance than can possibly be given in the ordinary public or private school.

The "family physician" notes that the Reed School has secured the unreserved approval of all the leading specialists in the care of children in health and disease who are personally familiar with its facilities, its methods and the results which it attains.

The "family physician" notes that this school is not for the exploitation of any "fad" in child training, but is open to the acceptance of the latest developments in its line of work which have received scientific approval.

Because:—

The parent notes the truly "homelike" atmosphere which is present, as indicated by the entire absence of anything "institutional."

The parent notes the evident pleasure which the Reed School pupils take in their work.

The parent notes the many unmistakable tokens of the exercise of the tenderest care in the proper development, mentally and physically, of every pupil.

The parent notes the school's proud record, showing the arousing of dormant faculties, the correction of misdirected energies, and in not a few cases the fitting of children to attend regular schools who had formerly been rejected by such schools, on the ground that it was impossible for such children to be taught.

A leading feature of the work is the cure of stammering and other forms of defective speech. This work is by no means confined to the nervous and backward, as the Reed method for the cure of stammering is favorably known throughout the country and attracts pupils of all ages, including professional and business men. The premises utilized and the teachers employed are entirely separate from those connected with the school for nervous and backward children.

DES MOINES, IOWA

Entered according to an Act of Congress, in the year 1906, by R. L. Polk & Co., in the office of the Librarian of Congress, at Washington, D. C.

INTRODUCTORY

Des Moines is a thriving, progressive city, and one in which the unwritten law of all its citizens, no matter what their vocation, is improvement. The publishers of this, the fifteenth annual edition of the City Directory, feel that in presenting it to their patrons and the public they have proved they are fully imbued with the prevailing spirit of the community, and that in its general appearance, in the thoroughness and accuracy of its contents, in the scope and character of the information it affords, they have shown themselves abreast of their neighbors, and expect to retain the confidence and support of the public in even larger measure than ever before.

We wish to congratulate our citizens on the great improvements constantly being made in our fair city. Great things have been done in the past year, are now being done and GREATER THINGS are promised for next year.

This volume contains 43324 names, making the necessary deduction for firms, corporations, removals or deaths and multiplying this number by 2 1-2, the ratio which hitherto has been found to correctly embrace the names of women and children not included in the directory, indicates a total population of 99877 an increase over last year of 1177.

The publishers desire to express to the business and professional men of Des Moines their thanks for the liberal support accorded the work, and in conclusion will say that in the future they will be as unremitting in their efforts to please as in the past.

STREET AND AVENUE GUIDE

EXPLANATION

IN ARRANGING "The Street and Avenue Guide" for the City of Des Moines, the following plan has been adopted (and approved by the city engineer): All streets on the west side of the Des Moines River have been designated by the same name or number alone, abolishing the prefix of west except in the case of numbered streets south of Vine, for example: Walnut, Vine, Grand av., Locust. In the case of the numbered streets, all north of Vine are designated as 1st, 2d, 4th, etc., and south of Vine, w so 1st, w so 2d, w so 3d, etc. Streets east of the Des Moines River which run through to the west side of and beyond the river are designated as e Vine, e Court av., e Walnut, e Locust, etc., the numbered streets north of Vine as e 1st, e 2d, e 3d, e 4th, etc., and south of Vine as e so 1st, e so 2d, e so 3d, etc. Streets on either side of the Des Moines river which do not run through from west to east Des Moines, are designated by their names without any prefix; for example: Maple, Buchanan, School, University, etc. If located south of the Raccoon river, the name of the street is followed by (S D M); if north of the Des Moines river (Highland Park).

The following abbreviations are used: Av for Avenue, al for alley, bet for between, boul for boulevard, D. M. for Des Moines, n for north, rd for road, s for south, w for west, e for east, nw for northwest, sw for southwest, junc for junction, opp for opposite, dr for drive.

Phil Klumb's Best Cigars

This Cigar has been on the market as a Ten-cent Cigar for 24 years, and it is still the same as when started. We do not use seed filler and call it Havana. Smoke the HAWKEYE and you always get your money's worth.

The friend of the people. It is better than a great many ten-cent cigars. Do not make a mistake. Buy the SUNNY SIDE.

Best Known for Sore Eyes

Testimonials prove it. Hon. H. L. Olsen, Northwood, Ia., member of State Legislature, says: I was nearly blind and paid over \$1,000 trying to get cured of granulated eyelids and ulcers on the eyeballs without success. 2 bottles of the Arntz Eye Cure cured me. Mrs. Henry

Walters, Hopkins, Mo.: I suffered from corneal opacities caused by neuralgia; got well by using The Arntz Eye Cure. Price 50 cents per bottle; 3 bottles, \$1.25.

Dr. LEW ARNTZ is INDORSED by the BEST PEOPLE of CITY and STATE

Rev. O. W. Catlin, Pella, Ia.

I would rather have Dr. Lew Arntz' ability to help the human vision than to be a millionaire, as it scatters blessings on every hand.

Judge C. C. Cole.

I desire to say that by your experienced judgement in testing my eyes and fitting glasses to them you have greatly reduced the percentage of impairment of vision by increasing years.

Rev. C. A. Nelson of the Swedish Mission Church

The best that can be said of a professional man is that he is skillful in his profession; this can be applied to you, doctor. Please allow me in this way to extend to you my gratitude for the good work you have done for me and my son.

L. F. Andrews.

My vision was impaired in consequence of 76 years use but have been restored by the use of Perfection Bifacals prepared by Dr. Lew Arntz.

J. A. Kinny.

Dr. Lew Arntz has restored perfect sight to my left eye which was blind for 30 years. He only used specially ground spectacles.

Rev. F. W. Evans.

After careful investigation I was led to apply to Dr. Lew Arntz, who fitted glasses so perfectly to my eyes that I can read and write for hours after night without getting tired.
